

STATE OF MONTANA

Governor's Proclamation

WHEREAS, reinforced concrete pipe and precast concrete products help build sustainable communities and, especially when used in storm drain systems, help ensure the health, safety, and well-being of Montanans; and

WHEREAS, reinforced concrete pipe and precast concrete products would not be available without the hard work of the concrete pipe industry, from the sand and rock quarries to the cement manufacturers to the truckers transporting products; and

WHEREAS, the concrete pipe industry is an economic boon to Montana, producing quality concrete pipe that is engineered to provide a lasting and economical solution to drainage and pollution problems; and

WHEREAS, the industry is often underappreciated, which is why it is important to highlight the critical role reinforced concrete pipe and precast concrete play in their respective communities; and

WHEREAS, this year marks the 115th year of the American Concrete Pipe Association (ACPA), which began as a means of exchanging ideas and establishing a high quality, standardized product;

NOW, THEREFORE, I, Greg Gianforte, Governor of the State of Montana, do hereby proclaim June 19–25, 2022

CONCRETE PIPE WEEK

in Montana to spotlight the importance of the industry and its contributions to our communities.

GREG GIANFORTE
Governor
