

STATE OF MONTANA

Governor's Proclamation

WHEREAS, neurodiagnostics is the practice of analyzing and monitoring central and peripheral nervous system function to promote the effective treatment of neurological diseases, injury, and impairment; and

WHEREAS, neurodiagnostic technologists play a critical role in the diagnosis and treatment of a variety of neurological conditions, including epilepsy, unexplained coma, sleep disorders, and spinal cord injuries; and

WHEREAS, neurodiagnostic technologists contribute to surgical treatment by monitoring the central and peripheral nervous system during high-risk procedures such as surgery for scoliosis, carotid artery disease, brain tumors, and spine trauma, thereby guarding against neurological complications during surgery and helping reduce risk of negative surgical outcomes such as paralysis or stroke; and

WHEREAS, neurodiagnostic technologists are dedicated to a life of service and lifelong learning, providing the highest quality patient care;

NOW, THEREFORE, I, Greg Gianforte, Governor of the State of Montana, do hereby proclaim the week of April 16-22, 2023

NEURODIAGNOSTIC WEEK

in Montana to recognize neurodiagnostic technologists.

GREG GIANFORTE
Governor
