

STATE OF MONTANA

Governor's Proclamation

WHEREAS, mental illness affects our friends, family members, and neighbors, with nearly 20 percent of adults in the United States living with a mental illness; and

WHEREAS, social isolationism has risen dramatically in the last few years, including here in Montana; and

WHEREAS, on average, less than half of those affected by mental illness seek treatment due to stigma and a lack of awareness surrounding the issue, including young adults who struggle with mental illness; and

WHEREAS, individuals living with mental illnesses are not alone in their battle, nor should they feel alone, and should seek support from their family, friends, coworkers, and neighbors;

NOW, THEREFORE, I, Greg Gianforte, Governor of the State of Montana, do hereby proclaim May 2025

MENTAL HEALTH AWARENESS MONTH

in Montana to destigmatize mental illness and support Montanans living with mental illness today.

GREG GIANFORTE
Governor
