

STATE OF MONTANA

Governor's Proclamation

WHEREAS, neurodiagnostics is the practice of analyzing and monitoring central and peripheral nervous systems to support the diagnosis and treatment of neurological conditions; and

WHEREAS, neurodiagnostic technologists play a critical role in the diagnosis and treatment of a variety of neurological conditions such as epilepsy, unexplained coma, sleep disorders, and spinal cord injuries; and

WHEREAS, these professionals support surgical teams by monitoring neurological function during high-risk procedures, helping reduce the risk of complications such as paralysis or stroke; and

WHEREAS, neurodiagnostic technologists are dedicated to providing high-quality patient care with professionalism, compassion, and a commitment to lifelong learning;

NOW, THEREFORE, I, Greg Gianforte, Governor of the State of Montana, do hereby proclaim April 19-25, 2026

NEURODIAGNOSTIC WEEK

in Montana to recognize the important contributions of neurodiagnostic technologists in improving patient care and outcomes across our state.

GREG GIANFORTE

Governor
