

STATE OF MONTANA

Governor's Proclamation

WHEREAS, native plants are indigenous species that have evolved alongside native wildlife and occur naturally in a particular geographic region, ecosystem, and habitat; and

WHEREAS, native plants are essential for healthy, diverse, and sustainable ecosystems and are critical for cleaning air, filtering water, and stabilizing soils; and

WHEREAS, native plants are well-adapted to Montana's soils, temperatures, precipitation, and environmental conditions, making them the best option for conserving and protecting our environments; and

WHEREAS, Montana is home to more than 2,500 native plant species which include large shade trees, shrubs, perennials, vines, grasses, and wildflowers; and

WHEREAS, it is important to increase public awareness about the benefits of Montana's native plants to pollinators and other wildlife, to the economy, and to the health of sustainability of Montana's ecosystems;

NOW, THEREFORE, I, Greg Gianforte, Governor of the State of Montana, do hereby proclaim April 2026

MONTANA NATIVE PLANT MONTH

to recognize the importance of native plants to Montana as a source of food for pollinators and native wildlife.

GREG GIANFORTE
Governor
