Section 2. Section 17-1-502, MCA, is amended to read:

"17-1-502. Definitions. As used in this part, unless the context requires otherwise, the following definitions apply:

(1) "Administrative costs" includes:

- (a) personal services;
- (b) operating expenses, such as travel, supplies, and communication costs; and
- (c) capital expenses, such as equipment, building costs, and real property costs.

(2) ~~(a)~~ "Continuing and reliable source of revenue" means a revenue source for which an agency forecasts an annual level of collections based upon historical data and prepares a budget for expenditures commensurate with the level of collections. Collections ~~may fluctuate based on a one-time variability in revenues but~~ may not change significantly on an annual basis.

~~(b) The term does not include revenue:~~

~~(i) that an agency will receive only as a result of an occurrence that is not a routine part of agency operations;~~

~~(ii) that will vary significantly on an annual basis; or~~

~~(iii) that is unable to be included in the agency budget because of the erratic nature of receipt.~~

(3) "Dedicated revenue provision" means an administrative or legislative action that allocates the revenue from a tax, fee, assessment, or other source to an account in the state special revenue fund, as described in 17-2-102, or to a local government.

(4) "General revenue source" means a source of revenue not governed by established or implied restrictions based on the source or limited use of the revenue. The term includes taxes, interest earnings, investment earnings, fines, and forfeitures.

(5) "Local government" means a municipality, a county, a consolidated government, or a special district.

(6) "State special revenue fund" means a fund in the state treasury consisting of money from state sources that is earmarked for the purposes of defraying particular costs of an agency, program, or function of state government, as provided in 17-2-102."

2 **Section 3.** Section 17-1-505, MCA, is amended to read:

3 **"17-1-505. Review of dedicated revenue provisions.** (1) The legislature recognizes that dedicated
4 revenue provisions are subject to review by:

5 (a) the office of budget and program planning ~~in the development and implementation of the~~
6 ~~executive budget and analysis of legislation;~~

7 (b) the legislative fiscal division ~~in analyzing the executive budget;~~

8 (c) the legislative services division in drafting legislation;

9 (d) the legislative auditor in auditing agencies;

10 (e) the department of administration in performing the functions provided for in 17-2-106; and

11 (f) the department of revenue in reviewing revenue sources and determining distributions to local
12 governments.

13 (2) ~~(a) To avoid assist legislators in avoiding~~ unnecessary and unjustified use of dedicated
14 revenue provisions, the entities listed in subsection (1) shall, in the course of current duties, ~~recommend a~~
15 ~~legislator to consider the principles in 17-1-507 and the criteria listed in this subsection this section when a~~
16 ~~legislator requests legislation:~~

17 ~~(i) to create a for each new or revise an existing dedicated revenue provision; or. If an entity~~
18 ~~referred to in subsection (1) determines that the use of a dedicated revenue provision is not justified, the use or~~
19 ~~proposed use must be reported to the legislative fiscal analyst.~~

20 ~~(ii) to transfer general fund into a new or existing dedicated revenue provision.~~

21 ~~(b) The legislator may seek assistance from the legislative fiscal division in considering whether~~
22 ~~the dedicated revenue provision or general fund transfer complies with the provisions of this section.~~

23 (3) A dedicated revenue provision should not give a program or activity an unfair advantage for
24 funding. The expenditures from a dedicated revenue provision must be based on requirements for meeting a
25 legislatively established outcome. Statutorily mandated programs or activities funded through dedicated
26 revenue provisions from general revenue sources must be reviewed to the same extent as programs or
27 activities funded from the general fund. The use of a dedicated revenue provision may be justified if it satisfies
28 ~~one or more of~~ the following:

- 1 (a) Provides for effective fiscal tracking of constitutional mandates, federal mandates, or statutory
2 requirements that cannot be tracked as effectively in the general fund; or
3 (b) (i) There is a direct benefit for those who pay the tax, fee, or assessment; and
4 (ii) Revenues are substantially equal to expenditures which allows the account to operate without
5 material reliance on support from other funds, including the general fund. However, a general fund transfer into
6 a dedicated revenue account is considered appropriate if it provides long-term sustainability of state finances.
7 ~~(a) The program or activity funded provides direct benefits for those who pay the dedicated tax,~~
8 ~~fee, or assessment, and the tax, fee, or assessment is commensurate with the costs of the program or activity.~~
9 ~~(b) The use of the dedicated revenue provision provides special information or other advantages~~
10 ~~that could not be obtained if the revenue were allocated to the general fund.~~
11 ~~(c) The dedicated revenue provision provides program funding at a level equivalent to the~~
12 ~~expenditures established by the legislature.~~
13 ~~(d) The dedicated revenue provision involves collection and allocation formulas that are~~
14 ~~appropriate to the present circumstances and current priorities in state government.~~
15 ~~(e) The dedicated revenue provision does not impair the legislature's ability to scrutinize budgets,~~
16 ~~control expenditures, and establish priorities for state spending.~~
17 ~~(f) The dedicated revenue provision results in an appropriate projected ending fund balance.~~
18 ~~(g) The dedicated revenue provision fulfills a continuing, legislatively recognized need.~~
19 ~~(h) The dedicated revenue provision does not result in accounting or auditing inefficiency.~~
20 (3) A local government dedicated revenue provision may be justified if it satisfies any of the
21 following:
22 (a) The program or activity funded provides direct benefits or services for those who pay the
23 dedicated tax, fee, or assessment, and the tax, fee, or assessment is commensurate with the costs of the
24 program or activity.
25 (b) The provision provides necessary information or other advantages that could not be obtained if
26 the revenue were allocated to the state general fund.
27 (c) The provision involves collection and allocation formulas that are appropriate to the present
28 circumstances and current priorities of state and local government.

5 and instability of local government funding structures."

7 **Section 4.** Section 17-1-506, MCA, is amended to read:

8 **"17-1-506. Review of legislation.** The office of budget and program planning shall, consistent with
9 the review provisions in 17-1-505, review each piece of legislation that proposes to dedicate revenue. The

17 ~~(2) The review of statutory appropriations must determine whether a statutory appropriation meets~~
18 ~~the requirements of 17-7-502. (1) Except as provided in [76-17-103,] 77-1-108, and 87-5-909, a~~ statutory
19 appropriation from a continuing and reliable source of revenue may not be used to fund administrative costs
20 unless expressly authorized in the statute establishing the statutory appropriation and identified as such in 17-
21 7-502.

22 3) In reviewing and establishing statutory appropriations, the legislature shall consider the
23 following guidelines. A proposed or existing statutory appropriation may not be considered appropriate only if it:

24 (a) (i) contains a formula for expenditures; or

25 (ii) an expenditure limit; and

26 (b) except as provided in subsection (c),

27 (i) it has a termination date; and

28 (ii) the occurrence of revenue or expenditure is not predictable or reliable.
