

STATE OF MONTANA

Governor's Proclamation

WHEREAS, meat is part of a healthy, balanced diet, providing pure protein with no added junk; and

WHEREAS, meat is produced more sustainably than ever, with innovations in animal nutrition, genetics, and management that reduce carbon footprints; and

WHEREAS, Montana's beef, pork, lamb, chicken, and other livestock are produced ethically under the Big Sky, with many ranchers and farmers depending on that production for their livelihood; and

WHEREAS, agricultural livestock production faces increasing hostility from individuals and organizations seeking to ban common-sense animal husbandry practices;

NOW, THEREFORE, I, Greg Gianforte, Governor of the State of Montana, do hereby proclaim March 20, 2022

Montana Meat Day

in honor and support of all Montana farmers and ranchers who feed our state, nation, and world,
driving our state's number one industry.
